Mel Arnold Elected as Vice-Chair of the Standing Committee on Fisheries and Oceans

Ottawa, ON –Member of Parliament Mel Arnold issued the following statement on his election as Vice-Chair of the House of Commons’ Standing Committee on Fisheries and Oceans where he has served as a member of the committee since 2016:

“It’s an honour to be elected by my peers to serve as Vice-Chair of the Standing Committee on Fisheries and Oceans,” said MP Arnold. “The committee has the capacity to perform valuable work benefiting Canada’s fisheries, ocean resources and the Canadians and communities that rely upon them.

“I sincerely hope that all members will work constructively and professionally as we did in the previous Parliament to protect, restore and enhance Canada’s fisheries and ocean resources.

“I look forward to supporting the Chair and fellow members, with the support of the Committee Clerk and Library Analysts, in conducting meaningful studies and developing recommendations to government supporting the robust management of Canada’s vast and diverse fisheries and ocean resources and the Canadian Coast Guard.

“My colleagues and I are eager to begin this work for the benefit of all Canadians.”
