Calgary MP Stephanie Kusie Elected Vice-Chair of Transport Committee

October 13th, 2020
FOR IMMEDIATE RELEASE

Calgary, AB — Today, Stephanie Kusie, the Member of Parliament for Calgary Midnapore, was elected Vice-Chair of the House of Commons Standing Committee for Transport, Infrastructure and Communities.

“As the Official Opposition Shadow Minister for Transport it is an honour to also serve as the Vice-Chair of the Transport Committee. Unfortunately, this Committee hasn’t met regularly since early March so the impacts of COVID-19 on this essential industry haven’t been examined by Parliament,” Kusie stated.

“The transportation sector is key to economic recovery and maintaining our critical supply chains,” said Kusie. “I am looking forward to studying the barriers the industry is facing as a result of COVID-19 and what needs to be in place to get Canadians and goods moving again in a safe, reliable and secure way.”

As Vice-Chair of the Transport Committee, MP Kusie will continue to listen to Canadians and the industry to find responsible, common sense solutions.

“On behalf of the Conservative Official Opposition, I will keep working hard to: hold the Liberal government accountable; ensure that all parts of the transportation system across Canada work together effectively and efficiently in a post-Covid-19 world; and suggest solutions when they are not,” concluded Kusie.
