MORE ON THE PLATINUM JUBILEE

This year marks the 70th anniversary of Her Majesty, Queen Elizabeth II's ascension to the throne. As Queen of Canada, she has personified the traits of public service, dedication, and sacrifice. To mark this historic occasion, countries across the Commonwealth are celebrating Her Majesty's Platinum Jubilee, the first of its kind to be celebrated.

As Canada's longest serving monarch, the Queen has been a fixture of our society for seven decades and she has always made known her love for our country.

She chose to honeymoon here, has taken 22 official tours here, and personally signed our Constitution Act into law in 1982. Though her official role has diminished during the many years of her rule, Canadians have always remained proud of our monarchist roots and take

deep pride in being a commonwealth country.

Calgary specifically has had the privilege of hosting the Queen on a number of occasions, including 1959, 1973, 1990 and in 2005 to celebrate Alberta's centennial. She also visited Calgary in 1951, while a Princess.

The draw for 70 Canada flags is intended to be a small way of celebrating this historic milestone in 2022. I am also encouraging residents of Calgary Midnapore to nominate deserving community members to receive one of 70 Platinum Jubilee pins I will be presenting at a special ceremony later this summer.

Information is available on my website at www.stephaniekusiemp.ca. I hope you will consider participating!
