NEWS RELEASE

“The buck stops here!”
Stephanie Kusie appointed as Shadow Minister for the Treasury Board

October 12, 2022

FOR IMMEDIATE RELEASE

Calgary, AB – Today, Conservative Leader, Hon. Pierre Poilievre introduced his new Shadow Cabinet to Canadians. His inflation-busting team includes Stephanie Kusie, MP Calgary Midnapore, who is proud to have been appointed Shadow Minister for Treasury Board:

“For too long, this government has gone unchecked. Canadians are tired of Trudeau’s out of control spending, his bloated programs that have failed to help those they were intended for, and his shocking misuse and overreach of power. That ends today.

“I have a message for the Trudeau government: the buck stops here. If you overspend, I will find it. If you misappropriate funds, I will call it out. If you overreach or underperform, I will expose it. Nothing can be hidden, and no excuses will be accepted. Canadian taxpayers are our masters. They, and their hard-earned money deserve our respect.

“I believe this Shadow Cabinet, under a strong and determined Leader, will usher in a new era of accountability for Canadians. Amidst the inflationary pressure and the crippling cost-of-living crisis, accountability to everyday Canadians – seniors, families, university students, new Canadians, and all those who have been left behind by the Trudeau Liberals – has never been more important.

“I look forward to returning to Ottawa with my Conservative colleagues, and a rejuvenated Shadow Cabinet, to face the Liberals head-on in the House of Commons.”
